

# RECYCLING CARBIDE

We can recycle used carbide tools, inserts and raw materials in an environment friendly way.

**GUHRING**

# RECYCLING

Guhring recycling carbide protects the environment and conserves resources.

Throw away high quality used carbide? It's just too valuable.

We offer you an environment-friendly and economically attractive solution: **Our Recycling Carbide Tools.**

Thanks to our own carbide technology we are able to recycle this valuable raw material.

By sending us your used carbide tools, you help preserve and protect the environment and ensure that these products are recycled responsibly. You also earn extra money.

Please fill out the form below or call us on **1800-639-991** to obtain the latest price.
